12cm AC Fan Kit for Server Rack Cabinet

StarTech ID: ACFANKIT12

The ACFANKIT12 12cm AC Fan Kit for Server Racks and Cabinets can be installed in StarTech.com's Wall mountable Server Rack Cabinets (RK1219WALL and RK1219WALH), as well as many full sized racks from StarTech.com and other manufacturers.

This powerful, yet quiet ball bearing fan will help increase airflow and reduce heat build-up within the cabinet. Capable of moving 107 CFM of air through the rack, this AC powered fan kit is sure to prolong the life of your rackmount equipment.

Backed by a StarTech.com 2-year warranty.

Applications

- Increase airflow, and reduce heat around rack mounted hardware

Features

- Standard AC Power connection
- Removable 115V plug for use with direct current
- Solid metal frame and sturdy design
